The 2022-23 NCC Season

Our New Season starts on the 5th of September with Registration night, and runs through to the end of May 2023.

The club will have a combination of online and in-person presentations, talks and competitions, which will be run either in-person or via Zoom (these will **not** be combined in one night). In addition there will be Photographic Outings, which will be another opportunity for members to meet up face to face while maintaining appropriate distancing. The full Seasons Programme will be available on the club website.

As always, we encourage all members to put forward their suggestions and ideas for consideration via navancc@gmail.com

Our comprehensive Beginners / Improvers Course runs for eight nights beginning on Wednesday 21st September and continuing every Wednesday for eight weeks. Some dates maybe subject to change, and will be notified by the tutor.

Note: All members who enrol for the Beginners / Improvers Course are also members of the club and are welcome, in fact encouraged to attend all the events on the programme, and enter into competitions.
