

The Navan Camera Club Improvers Course is both for the completely 'new to camera' member as well as those looking to build on their current skills and abilities. The course is a light-hearted approach to learning to combine key elements to becoming a competent photographer with some fun and interactive challenges thrown into the mix. The first six weeks will be held on Zoom with the final week a group meet-up in Navan where we can get some practice in the field as well as a hands-on practical demonstration of night-time photography by our tutor Paul Jones. The course begins on [Wednesday, September 21st](#) at 8pm.

Week 1 - Introduction / Getting to Know Your Camera

Week 2 - Composition & Colours / Exposure Triangle

Week 3 - Story-telling with Photos / Lighting Your Image

Week 4 - Finding Your Forte / What is White Balance?

Week 5 - Building Confidence / Going Manual

Week 6 - Recap & Critique of Group Images

Week 7 - Meet up & Walk-around Town in Navan
